Key Principals

- Treat them as Children First
- Identify vulnerability and protect them from harm.
- Full understanding of their circumstances should be sought.
- Interaction is both an intervention and an opportunity.
- The voices of C&YP must be heard and their opinions respected.
- Keep CYP out of the criminal justice process unless necessary.

Policing vision 2025: To make communities safer by upholding the law fairly and firmly; preventing crime and antisocial behaviour; keeping the peace; protecting and reassuring communities; investigating crime and bringing offenders to justice
